

### Customer Supplier Consult / About us

With her professional **first grade contacts** to **top level enterprises** the Customer Supplier Consult is a **task force** committed to bridge the interests of customer and client in **complex infrastructural projects in the Ukraine**.

### Our Professionality is ...

- to act as a **neutral consultant** in commission of our (governmental) customer.
- to transmit our high experience in management and consulting tasks. We are specialized in **strategic process management**, change management, implementing new business concepts, coaching and project management.
- to **provide awareness** of the **political** and **economical environment** both in Ukraine as well as Austria, Germany, Switzerland and other EU-Countries.
